Country Club Retirement Campus

Country Club Retirement Campuses have enhanced the lives of seniors and their families through superior personal care and progressive living concepts since 1974.

The campus includes:

- Spacious service-enhanced independent and assisted living apartments
- Assisted living suites when more care is needed
- Skilled nursing and rehabilitative therapy services

Country Club Retirement Campus is a continuing care community providing a comfortable and maintenance free lifestyle for seniors.

Rehabilitation and Skilled Nursing

The best care comes from the best people. When you need rehabilitation and restorative nursing after surgery, illness or injury, our exceptional therapists, nurses and skilled professionals provide a full array of therapies.

Our team designs customized rehabilitation plans to increase our residents' independence and ability to manage daily activities and skills. Through exercise, pain management, the latest technologies and cognitive/retraining programs, residents are able to increase strength, mobility and endurance, thus enhancing quality of life.

- Physical, Occupational and Speech therapies for all care levels
- Private rehabilitation suites available
- On-site Podiatry, Dental, Audiology, Optometry and Psychology services
